

Are you looking for a cost-effective and flexible method of training your team?

Activate eLearning in your business

Our easy-to-use, all-inclusive eLearning system allows you to put your team through CPD approved training at a fraction of the cost. At an average course length of 30 minutes, these accredited courses provide a time- and cost-efficient method of fulfilling your training requirements.

Benefits of eLearning

- ✓ **Cost-effective.** The cost of purchasing credits to access the eLearning programmes is significantly cheaper than accessing in-person training.
- ✓ **Flexible.** Our eLearning programmes allow staff to train at a time that suits them. This means it can be fitted around their work day.
- ✓ **Keeping you compliant.** Our CPD accredited and governing body approved courses ensure you meet your compliance requirements as an employer.
- ✓ **Range of choice.** With 200+ courses available, across a range of HR, Health & Safety, Management and Compliance topics, there is something for all your needs.

Get started
